Sub: MAIT's recommendations on Decriminalization of various provisions/laws to enable Ease of Doing Business

Respected Madam,

Greetings from MAIT!

At the outset, MAIT extends its heartiest thanks to Department for Promotion of Industry and Internal Trade (DPIIT) for its continuous support to various industries including electronic and ICT. MAIT appreciates DPIIT's initiatives on ease of doing business, logistics, PLI for white goods. These initiatives are an example of the conscious and collective efforts of the Central Ministries/Departments & State Government along with the industry associations to bring out ease of doing business.

Of late, DPIIT has executed the exercise of reducing compliance burden, including decriminalization of minor violations to promote ease of doing business.

In this regard, MAIT takes this opportunity to share the detailed recommendations on Decriminalization of various provisions/laws to enable Ease of Doing Business (**Annexure**).

We once again thank DPIIT for conducting this very vital exercise and we look forward to engaging in subsequent events/forums with DPIIT on behalf of the industry on issues of mutual interest.

With regards,

Col. AA Jafri, Retd.
