Sub: Industry concerns reg. GST related issues

Respected Sir,

Greetings from MAIT!

At the outset, we would like to take this opportunity to thank the Central Board of Indirect Taxes and Customs (CBIC) for its continued support to the Indian industries. We deeply appreciate the multiple initiatives undertaken by the Government of India to promote electronics hardware manufacturing in the country including mobiles, laptops, tablets and other ICT products.

Sir, we are writing to bring to your kind attention to some pressing issues related to the Goods and Services Tax (GST) in India. While GST has been hailed as a major reform in the Indian tax system, there are still some concerns that need to be addressed.

In this regard, MAIT has executed the exercise of compiling the critical issues pertaining to GST from its member base. We have attached the Summary of Issues as **Annexure** to this letter.

We hope the issues faced by the industry merit your kind consideration.

Thank you for your attention to this matter.

Warm regards,

Col. AA Jafri, Retd.
Director General
