At the outset, MAIT is grateful for the continued support and collaboration from the Department of Telecommunications (DoT) throughout the CBS implementation and testing.

We are writing to seek your esteemed guidance and assistance regarding the queries faced by the industry during implementation of the Cell Broadcast Service.

We also like to thank you for arranging the much-needed meeting held on 16th Oct'23 for the industry to share their views and concerns. In further reference to the same meeting, kindly help us on the following:

- 1. Providing MoM of meeting held on 16th Oct'23, covering the responses to the questions discussed in the meeting.**
- 2. Hindi and English as the only two languages for Auto Read-out.**
